Ysgol Golwg Y Cwm by Dosbarth Melyn

Today we're doing lots of work
And Mrs Griffiths has come to lurk
I like doing Welsh in class
Don't worry if you finish your work last!

Now we're going to our assembly in the hall
If a class is late don't forget to call
When it's done we go out for our morning run
Let's go outside and have lots of fun!

Every Friday it's fish and chips
All the flavour goes on to your lips
You sit next to your friends when you eat
But you don't need to get out of your seat!

After dinner it's Golden Time for all
You can even go outside to play with the ball
Most table points get the laptops first
Everyone's so excited they could burst!
